Dear Larry and Ron,

Thank you so much for presenting "The Black Jew Dialogues" at Tennessee Wesleyan. The students truly enjoyed your program and conversations about racism, bigotry, and hate have resonated throughout our campus.

"The Black Jew Dialogues" was definitely one of the most thought provoking and beneficial programs we have done at Wesleyan. The number of student in attendance for the show was phenomenal! In fact, you made history by hosting the most highly attended convocation in my four years at TWC.

You were both so wonderful to work with and are so passionate about your message. The students loved having you on campus and were thrilled to have the opportunity to talk with you after the show.

We will definitely have "The Black Jew Dialogues" back to Tennessee Wesleyan!! Thank you, again, for a wonderful program!

Sincerely,

Angie Watts
